

Louth Classic Car Show

Sunday 7th June 2026

*Louth & District Lions are pleased to say we are holding the **30th Louth Classic Car Show** in Deighton Close Fields next to the bypass. Our aim is to hold an event that will give people an enjoyable day and raise money for good local charitable causes.*

There will also be lots of car companies and service companies presenting their offerings, plus a food and drinks area, plus children's entertainment and general stalls of various kinds.

Please note the following information:

- Louth Lions have once again taken the decision, NOT to organise a road run this year, for logistical reasons
- The event will again be held at Deighton Close Fields
- Entry for classic vehicles will be via Deighton Close
- Vehicles can enter between **9.00 and 11.00am**
- No entries will be accepted after **11.00**. This is to allow sufficient time for the judging process to take place and for the safety of visitors to the show
- There will be a charge of **£6.00** per vehicle to register, paid in advance
- Deadline for entries is **20th May**
- Entrants will only be allowed on site with your official entry and class number displayed on your window screen
- Classic cars may have up to 2 persons on board, any more than this will be charged at visitor entry price
- We will have a Future Classics class again this year but we have tried to be more specific around what qualifies as a future classic (see details in list of classes)
- All vehicles entering the show must be mechanically and legally road worthy i.e., Taxed and insured with current MOT certificate, if required

Entries on the day:

As the event is very popular, it is highly recommended that you pre-register, however entries will be accepted on the day if the event isn't sold out.

- Entries on the day will be charged **£10 00**.
- If the car class area for your vehicle is already full, you will be assigned to the overflow area and won't be involved in the judging
- If the event is fully booked, no entries will be accepted on the day. Please check the Lions Website (www.louthlions.co.uk) or Facebook page before leaving for the show to see if the event is fully booked.

Clubs:

If you run a car or motorcycle club and would like your own area at the show, please provide the following information by **30th March**:

- Your name, email address & telephone number
- The name of your car club
- The number of vehicles that are attending

Please ensure that your club members put the name of your club on their entry form.

Unfortunately, vehicles in club areas will not be eligible for the judging.

How to enter:

We would like to move away from using the postal system mainly due to cost and workload but appreciate not everyone has email or printers. If you can use email & have access to a printer then please reply by email with your completed entry form. A car tag and full instructions will then be sent by email for you to print and display in your vehicle. For those who do not have email or access to a printer, please send a paper copy of your entry form along with a stamped, addressed envelope to the address below.

We look forward to seeing you
